## Came to Believe

Once I became entirely ready to accept complete change and have an honest desire to stop the insanity of life; I had to learn to ask for, and "accept" help. I became open minded, willing to ask the God "of my understanding" for help on a daily basis. When I finally came to believe and accept that God would help, surprisingly enough the obsession to drink was lifted. I honestly believe that God reveals Himself through people inside and outside AA on a daily basis.

## Imagine Life Without Faith

I can't tell myself what life is really, because since I was a kid I have been drinking and drugging. If my mother was alive today she could probably help me with this, she lived life on life's terms with a lot of faith.

I know that faith in my higher power has gotten me through a lot, since 4/29/00. My faith in my fellow AA's experiences, strengths and hopes as well. Everyday that I've been sober I had to have faith, that's what got me through the little struggles and the big ones especially. I have a 20-year-old son who is reliving my alcoholism. Everyday I chose to watch him and not turn him away. Probably of the guilt and shame from me deserting him or the love I have for him. OR the need to be a useful mother after 10 years of not.

Maybe because God never gave up on me or turned his back on me, how can I do that to my only child. I know my faith proves that if I pray for something and God wants me to have it I will get it. If not, then there's a reason and I have to learn to accept this.

## *From Behind the Walls*

Greetings from the **Annex Group** of AA, at Wyoming Correctional Facility. Thank you from all of us for responding to our request for AA material. We received the books today and we are grateful to the Correctional Committee for the effort. AA works because we help each other receive the message. Thank God!

In the Spirit

### **A Blast From The Past and Still a Good Message**

I was introduced into service with six months sobriety. Wende Correctional was the first facility I was taken in by a man with Cerebral Palsy, Ron E. When I got behind the walls and had to go through paperwork, I had fear because of what I did in my past might catch up with me. But we finally got into the meeting and I was introduced to the inmates by fellow inmates. Even though I was still scared, they made me feel at home. When the meeting was over, there was no difference between that meeting and any meeting with good quality sobriety that I had been to.

But I didn't stick with it because I didn't feel service was important at that time. After a couple of years of thinking that I was okay again and I don't need this fellowship, I had to go through an awful lot of pain. One night I attempted suicide. I climbed through a barbed wire fence and scaled a tower. I contemplated jumping for a couple of hours. There was nobody around. It was just me and God. After a while, I climbed down and called a suicide prevention hotline. They got me in touch with a helpful friend to the fellowship who got me on the right track. I learned through this experience that contented sobriety is absolutely essential to my continuing a sober life.

A year or so later, I got involved with Sonny J. and the Powerless Group. Getting involved with people in this fellowship that are involved with service helps show me God's intent is that I've got to give it away in order to keep it. So I attempted service again through General Service. I had to search a little until I found my place in service was with corrections. Even though my story is all about Corrections Service Work, I'm also involved to some

degree in Treatment Facilities. I make coffee for Central Committee, greet people at meetings and work for "New Frontiers." These are all essential forms of service work.

My co-chairmanship in Corrections is up at the end of this month. Next month I begin chairmanship of Corrections. I found my place in service. Each person's role in service is different. But, *you* can't find out what that is until you give it a shot. I feel most comfortable doing prison work because I thought I knew how the inmates felt, based on my own experience. When I went back to the Wende Correctional and although the same fears occurred, the results were different.

I listened to people that were in there for murder, sober for a long period of time, even though alcohol and drugs are just as accessible behind the walls, (only a little harder to get). These people were talking about God, their service to God and their recovery in the fellowship through the twelve steps. They were smiling serene, happy and contented people. One individual had already been there eighteen years, and still happy, joyous and free. I was capable of seeing through them that freedom is an inside job. It comes from the heart and not from the head. At that particular moment I finally realized that the program of recovery, as outlined in the twelve steps, could work for me. Another time, when my sponsor's wife was in the hospital for surgery, the inmates made her a get-well card, and kept her in their prayers.

I learned the "I am responsible" slogan doesn't mean I have to wait for people come to me. Six months later I became employed at a local junkyard. One morning at work I grabbed my partner's coffee by mistake, which had

some alcohol in it.

The obsession to drink didn't fall into place until after I got out of work. And I knew that the best meeting for me to go to would be that facility. I raced to get there and had to pull over and pray. I did my meditation. When I got to the desk I still wanted to drink. Just as much as I did when I left work.

When we got to the meeting it was not my scheduled night. And the chairman, Ron E., didn't have a Speaker. So one of the inmates who had just completed reading the first 164 pages of the Big Book wanted to share his experience, strength and hope. As he was doing so I totally forgot the obsession even existed.

I knew this man when he was active in the fellowship. Through a relapse, and other situations in his life he wound up behind the walls. At any time if I forget who I am or where I came from I could pick up a drink. In addition, the twelve steps of AA tell me that I too can be happy, joyous and free.

Ron's disability doesn't prevent him from giving it away either. Another form of

incarceration, and yet free. With my involvement in Correctional Facilities I have a hard time getting people to come in to speak because they have to be cleared by the facility. But I see that other types of service, Treatment Facilities, for example, have the same problems. A lot of people refuse to share because they think they don't have enough sobriety, or they were scared like me of going in there in the first place. But when we share our experience strength and hope we receive one more day from freedom from the bondage of self.

Any one wishing to get involved, or more importantly just sharing a lead, it's not hard to get cleared. And we are in desperate need of speakers for these facilities.

The Correctional Committee meets the first Sunday of every month at 6:00 PM, St Michael's Parish Hall, 651 Washington.

Also anyone with an experience on service who would like to share it in this paper please submit it to Central Office.

Ron S., Powerless

## TREATMENT FACILITY COMMITTEE NEWS

The Treatment Facility Committee had an informational table at the Spring Convention, in Jamestown, to answer any questions on what the TFC is and what we do and to inform people about Bridging the Gap. We had two people sign up as temporary contacts for Bridging the Gap. I would like to thank all the people who volunteered to help out.

There is a definite need for volunteers to help bring meetings into Treatment Facilities as there are always people rotating in and out. If you would could spare 2 hours a month to help bring some hope into the lives of the still suffering alcoholic. Please get in touch with Pete F. Buffalo Intergroup TFC or Richard F. Area 50 TFC coordinator.

## YOU CAN'T GET HERE THERE BUT WE CAN

You can't get here from there. To paraphrase a statement a fellow member often makes - speaking of the miracle of recovery. I couldn't get from the life I was living, to the life I have today, without HELP. There's a definition of a "miracle" I've heard and adopted for my own that a miracle is "simply" a change in perception. That change in perception is beyond my capability to achieve, without the help of my Higher Power, and the program of A.A. There are very few similarities between my life today, and my "existence" before coming into the program. There are some circumstances, which remain the same, but the comparison stops there. Today, I

am able to take responsibility for my actions, to give and to receive love, to contribute help and inspire hope. Before A.A., I viewed my life as a tragedy, a soap opera, and believed with all my heart that people were "out to get me", to "take advantage", this view being very much the way I operated. I was not capable of relating to others in an equal way, as human beings everyone was perceived by me as either superior or inferior to the great (or inconsequential) "I" ... depending on my "side", which I was constantly trying to alter. Today, I can honestly say that through using the tools afforded to me by A.A. (where I have found a Higher Power of my understanding), the view I have of my life and have the people around me has changed miraculously. I owe it all to my Higher Power, and to *you, and you, and you.*

With love and Gratitude

### STEP 6

### **WERE ENTIRELY READY TO HAVE GOD REMOVE ALL THESE DEFECTS OF CHARACTER.**

Step 6 is AA's way of stating the best possible attitude one can take in order to make a beginning on this lifetime job. This does not mean that we expect all our character defects to be lifted out of us, as the drink was a few of them may be. But with most of them we shall have to be patient for improvement. The key words *entirely read* underline the fact that we want to aim at the very best we know or learn. Only God can remove the defects of character. Times I tried to do with them my own way and that gets me in trouble all the time. GOD could and would if he were sought.

My experience was when I woke up the next morning and I could walk and look the world in the eye and suddenly realized not only had God as I understood him removed me from the things that got me in trouble all the time. The obsession to drink was gone; the rest God takes care of for me a day at a time. Every time I walk into an AA meeting and someone says I can't stop drinking, I remember but for the grace of God there go I. I am in the right place.

### *Serenity*

I believe willingness is something that comes from the heart. It is a power that is so great and so strong, that if you find it you can conquer your largest obstacles. Willing is something that you have to be, to accomplish just about everything you do. The program of AA in my mind, totally, in every aspect revolves around willingness. Once I am, willing to let God take over I am halfway to victory.

### Rochester Loss

## TRADITION 6

**AN AA GROUP OUGHT NEVER ENDORSE, FINANCE, OR LEND THE AA NAME TO ANY RELATED FACILITY OR OUTSIDE ENTERPRISE. LEST PROBLEMS OF MONEY, PROPERTY AND PRESTIGE DIVERT US FROM OUR PRIMARY PURPOSE.**

"...We tried A.A. hospitals-they all bogged down because you cannot put an AA group into business; too many busybody cooks spoil the broth. AA groups had their fling at education, and when they began to publicly whoop up the merits of this or that brand, people became confused. Did AA fix drunks or was it an educational project? Was AA spiritual or was it medical? Was it a reform movement? In consternation, we saw ourselves getting married to all kinds of enterprises, some good and some not so good. Watching alcoholics committed willy-nilly to prisons or asylums, we began to cry, 'There oughtta be a law!' AA's commenced to thump tables in legislative committee rooms and agitated for legal reform. That made good newspaper copy, but little else. We saw we'd soon be mired in politics. Even inside AA we found it imperative to remove the AA name from clubs and Twelfth Step houses."

"These adventures implanted a deep-rooted conviction that in no circumstances could we endorse any related enterprise, no matter how good. We of Alcoholics Anonymous could not be all things to all men, nor should we try." Twelve & Twelve, 156-157

PRIMARY PURPOSE - ONE ALCOHOLIC HELPING ANOTHER. THAT'S IT PLAN AND SIMPLE. PLEASE HELP MAINTAIN THE SIMPLICITY OF THIS PROGRAM AS IT HAS BEEN FROM THE BEGINNING, SO THAT IT WILL BE THERE FOR OUR CHILDREN AND GRANDCHILDREN, WHO MAY NEED THE HELP OF THIS PROGRAM SOME DAY AND FOR THAT WE ARE RESPONSIBLE.

Cindy N.

**CONCEPT VI: ON BEHALF OF A.A. AS A WHOLE, OUR GENERAL SERVICE CONFERENCE HAS THE PRINCIPAL RESPONSIBILITY FOR THE MAINTENANCE OF OUR WORLD SERVICES, AND IT TRADITIONALLY HAS THE FINAL DECISION RESPECTING LARGE MATTERS OF GENERAL POLICY AND FINANCE. BUT THE CONFERENCE ALSO RECOGNIZES THAT THE CHIEF INITIATIVE AND THE ACTIVE RESPONSIBILITY IN MOST OF THESE MATTERS SHOULD BE EXERCISED PRIMARILY BY THE TRUSTEE MEMBERS OF THE CONFERENCE WHEN THEY ACT AMONG THEMSELVES AS THE GENERAL SERVICE BOARD OF ALCOHOLICS ANONYMOUS.**

"You know, Bill has always said that one of the great good fortunes in his life, and perhaps A.A.'s life, turned out to be the fact that he was a jack of all trades, and a master of none. He had a little bit of knowledge about public relations, a little bit of knowledge about finance, a little bit of knowledge about law and so forth. This meant that all of this accumulated experience of his could be utilized -- as it has been so magnificently in the creation of our whole A.A. structure. But, I must confess that I wish that Bill had had a little less of that experience with "Law" when he was writing these Concepts! Such legal language, and you know how confusing lawyers can be.

So, let's take a look at Concept VI which reads: "on behalf of A.A. as a whole, our General Service Conference has the principal responsibility (or the maintenance of our world services, and it

traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the General Service Board of Alcoholics Anonymous." Now let's look at a regular group business meeting. Doesn't that business meeting delegate to its officers or to its Steering Committee the weekly or daily operations of the group's affairs? Don't we feel fairly sure that the speakers will be arranged for and that they will show up somehow, that the coffee and cake will be available after each meeting? And as the officers of the group are trusted by the group, so are they observed and guided by the group's wishes. So, too, do the Trustees assume responsibility for the

operation of their service corporations -- A.A. World Services and the A.A. Grapevine. The objective is a spiritual one -- but this service aim can only be achieved by means of an effective business operation. Like any other business Board of Directors -- our Trustees must be given the chief

initiative and the active responsibility to effectively manage the principal world affairs of our fellowship."

Funny...

Funny how a \$100 looks so big when you give it to central service,  
but so small when you spend it at the mall.

Funny how long a couple of hours spent at a service meeting can seem,  
but how short they are while watching a movie.

Funny how hard it is to sometimes read a chapter in the service manual,  
but how easy it is to read 100 pages in a best selling novel.

Funny how people scramble to get a front seat at a concert or game,  
but scramble to get a back seat at a service meeting.

Funny how some people complain when a meeting goes into extra innings,  
but rejoice at the prospect of the game going into overtime.

Funny how we need two or three weeks advance notice to fit in a family members request into our schedule,  
but can adjust our schedule for other events at the very last minute.

Funny how hard it is for people to learn a simple spiritual principle well enough to demonstrate to others,  
but how simple it is for the same people to understand and repeat gossip.

Funny how we believe what the newspaper says,  
but question what God says.

Funny how everyone wants to get sober and everyone wants to grow to a level where we lead productive lives,  
better loving and serving our families and fellows, provided we do not have to believe, or think or say, or do  
anything different than what we presently do or don't do.

### *A Meeting In The Sky*

A man died and went to heaven. St. Peter asked "What denomination are you?" and the man said "I don't belong here, I don't go to church" St. Peter said "Well, we don't make mistakes, you belong here, let's just walk around and you can see where you'd like to stay"

So they walked down the hall, and St. Peter opened a door and there were all these people kneeling and praying and crossing themselves. "Who are they?" asked the man. "Those are the Catholics," answered St. Peter "well, I don't want to stay here," said the man and they walked on down the hall.

St. Peter opened the next door. Inside were all these people sitting straight up staring ahead. "Who are they?" asked the man. "Those are the Protestants," answered St. Peter. "Well, I don't want to stay here," said the man and they walked down the hall.

The next room they came to, St. Peter opened the door and a big puff of smoke came out and the man smelled coffee. The man looked inside and there were all these people laughing and hugging and they got in a big group hug and said the Serenity Prayer. The man said "I like these people, who are they?" St. Peter said, "I don't know, they won't tell us"

It will be held August 4, 5, and 6 2000 at The University of Buffalo, Amherst Campus, Ellicott Complex. There will be a variety of panels and speakers from our own area and the other three areas in New York. There are also several different registration and pre-Registration packages offered. Joanne reminded us of how important it is for us to support our area and to register promptly as UB needs a lump sum up front in July. Coffee donations are appreciated.

2) **PUBLIC INFORMATION COMMITTEE;** Terry B. PIC Chairperson gave the report. Last meeting was on 5/20/00. Two presentations were done at Deltacraft Paper Co. on 5/11 and 5/18. On 5/30 we had a table at the Jewish Family Services Health Fair. Upcoming: 6/5 another presentation at Deltacraft Paper. Starting in July presentations will be given at Family Shelter Units at Main and Humboldt. 6/24 is the mini-convention panel, and 8/5 the Workshop panel. Literature has been ordered. Literature requests have been made and will be filled once the order arrives. Next meeting is 6/17/00.

3) **COOPERATION WITH PROFESSIONAL COMMITTEE;** Griff N. CPC Chairman, gave the report. The committee meets the 2nd Sat. of every month, at the Maryvale Presbyterian Church at 9:00 Am just before the Courage group meeting. There will be a large PTA meeting here next fall. The GSA will help cover the cost of literature but might not have enough to cover the exhibitor's table. Group contributions are always welcome from the GSA. Buffalo General Hospital has shown an interest in having the CPC come out to visit and also bring literature. This is a great opportunity to inform the doctors and counselors on what AA does and does not do. We also need to man the table at the Erie County Fair in Hamburg this August. Volunteers receive free tickets for admission. Shifts are four hours long.

4) **ARCHIVES:** Tom B., Archives Chairman, gave the report. The committee met on June 3rd, 2000 due to the regularly scheduled meeting last month was postponed because of the holiday. The committee asks that groups requesting an archives display at group functions to contact Archives committee at least one month prior to function to allow for preparation. The Archives scheduled displays are: The Main and High groups Day of Sharing July 8th, 2000 at the Salvation Army 960 Main St. Also the NY State Informational Workshop to be held August 4, 5, and 6th, 2000 at the UB Amherst campus. The next Archives meeting will be held June 24th, 2000 at 9:00AM before the Courage group meeting at the Maryvale Presbyterian Church, 425 Maryvale dr. Cheektowaga.

## RECAP:

Financial report, Tom of Rural is Plural asked what the \$130 for Treatment was for. Pete F. says it goes for literature that is itemized by each facility. Dick L. asked about outstanding invoices for literature that hasn't been paid for yet being added to assets. Griff N., Sunrise Court, says that the money owed is to replace literature that was already part of our assets.

Treatment Bob of Amherst/Snyder asked what time the Monday night Salvation Army meeting is held that needs help on the first and second Monday's of the month. Pete F. responded 8:00 PM.

Corrections, Tom of Rural is Plural wanted to know if the second and third Wednesdays of the month were being covered at Gowanda. Bill L. Correction's chair was not available for the update. Rich F. of Iron Horse wanted to mention that volunteers for Attica Corrections can be processed June 21st for admission to the facility. Anyone interested in getting involved with corrections can contact Rich F., Bill L., or the Central Office. Scott T. Lakeshore group, inquired about the corrections fundraiser cruise. Is it in violation with our traditions? and if not maybe it should be brought back to the central body for discussion as it is this body that will have to bear the financial burden for any lapse in funds.

Cooperation with the Professional Community, Rich F. of Iron Horse who is the area 50 Treatment coordinator, expressed concern about the lack of help in covering the requests made by hospitals for AA presentations. There is a need for people that are free during the day to help out in this area. He asked that we inform our home groups of this need.

### OLD BUSINESS

Jay H. of the North Buffalo group expressed a concern with something printed in the minutes read at the beginning of the meeting. As regarding to the May meeting discussion on people who don't have a desire to quit drinking attending closed meetings. It was printed that Jay said these people don't belong at closed meetings. He iterated if that is in fact what he did said then he was wrong. It is not his personal opinion as to who does and does not belong at a meeting.

The Chairman mentioned that we still need a committee co-chair. No one was interested.

We still need a 2001 Convention co-chair from district #3. We had one person apply to the Steering committee, Pat M. of the Rainbow group. She gave her qualifications and Lee M. made a motion to accept her nomination, the motion was seconded and passed.

The chairman also mentioned we need a steering committee member for district #1. Christine Z. of the Miracle group nominated Lee M. It was seconded by Jay H. and it passed unanimously. Dick L. of Dunkirk, will be the rep. for district #6.

Regarding an area website. The chairman says we would like to set up an Ad Hoc committee to find out the feasibility's of having one, including someone to chair the committee. ~~Terry~~ Terry B. chairperson of Public Information, says she thinks that the Public Information and the Co-operation with Professional community committees could work together as a whole. She also said people on her committee are interested in helping.

There still is a need for someone to handle the Envelope System. Karen from the Ridge group asked what that entails. Cindy N. offered to explain and Karen volunteered for the job.

The New Frontiers needs someone to see that it is put together and formatted every month. The chairman says the Executive Secretary shouldn't have to do that. No one volunteered. Bob from Amherst Snyder suggested that we take it back to our home groups.

### NEW BUSINESS

Griff N. reiterated the lack of service and message carrying. We need to talk up and support the Informational workshop coming up this August 4, 5, and 6th.

There were conflicting views on the subject of having a website. Terry B. said that the Internet is a strong tool for accessing information about alcoholism and meeting schedules. Cheryl from the giving group offered that some people can't afford computers. The subject was tabled until the July meeting.

John B., Lakeshore Group made a motion to close, Tom of Rural is Plural seconded the motion and the meeting closed at 8:32 PM with the Lord's Prayer.

Respectfully submitted,  
Mark S., Lakeshore Group  
Recording Secretary
