Discussion

Letter pertaining to disbursement of funds of Certificate of Deposit handed out for review.

Scott T. informed committee of the following:

AA accountant called Delphine and informed her that he had been trying to contact Cindy N. in regards to attaining information on interest earned on Certificate of Deposit for tax purposes. There was no response to his repeated efforts to contact Cindy. Scott T. was contacted by Delphine informing him of this. Upon further investigation by accountant the bank informed him that monies of the CD had been withdrawn per letter on record at bank. Letter determined to be a forged document.

Lee M. informed committee that: Central Office door locks were changed, all bank accounts were closed and reopened and Cindy N. was asked not to return.

Make sure we are in good standing with the IRS. Chairman and AA Financial officer to co-sign all checks. All existing account checks were given to Scott T. by Lee M. and shredded. Cindy to return all property and materials of Central Office and Alcoholics Anonymous on the Niagara Frontier. Cindy N. and Griff N. not allowed in Central Office unless they need something to support our primary purpose.

- General Service** Mike B. Reported:
Central committee Report July 1, 2001;

I'm here to help the process of getting Buffalo's Central Committee back on track! The steering committee of your intergroup just met & recommended that the office secretary be terminated. This was done after much diligence, compassion, & keeping with in our Traditions & Concepts. I'm not here to do anything but advise & support that process. A-A as a whole in Western, N.Y. seems to have a lot of apathy lately! The philosophy that 'A-A' will get by anyway, so I really don't have to be involved is slowly eroding our Group Conscience away & what happens tonight is a direct result of that type of thinking. It is our fault that this has happened & we might have lost a member to our indecisive behavior & lack of fulfilling our direct responsibilities to Traditions #1, #2, #4, #8, #9, and #10! This inactivity on the parts of groups by not attending central committees, intergroup or general service Assembly meetings & participating in the group conscience has caused this type of problems.

Now where do we go from here? We start by reviewing the by-laws; accounting practices, send Group Reps & GSR's to the appropriate meetings. Then when they come back to our groups give them the time & respects they deserve to report back to our groups. Next we support the 7th Tradition. It seems like there is plenty of money's around to walk from our groups by miss informed Trusted Servants & Dance Funds, Picnics etc. but no money to serve the still suffering Alcoholic out there! There was more money taken from group treasuries last year in area #50 than where given to Western, N.Y. GSA. & That's sad. The committees worked on austerity budgets, the service people where disheartened & didn't come back or felt that their efforts were for null! We can & must help to change this apathy & with our higher powers intercession we will move ahead & continue to do the work we do best "Helping the still suffering Alcoholic to find a solutions to there problems of not nicking up that first drink!

RE: Finances

Due to the recent happenings at the Central Office and unforeseen circumstances financially. We are in effect financially unstable.

We can use this as an opportunity to band together for the good of the fellowship and to come together on the spiritual path of recovery that God has placed us.

If in your business meetings you can come to a Group conscious decision to give what you can and dig a little deeper it will help greatly to relive the financial situation that we as a fellowship presently face.

Due to the recent past financial happenings we can understand why you would be hesitant to give money to the Central Office but as Bill W. said, "It's in the hat where spirituality and money mix." There will be a conscious effort on the part of the Steering Committee / Central Office to keep all the groups informed of the financial situation of the Central Office.

Respectfully:

Steering Committee / Central Office

STEP SEVEN THOUGHT:

My Creator, I am now willing that you should have all of me good and bad. I pray that you now remove from me every single defect of character, which stands in the way of my usefulness to you and my fellows. Grant me strength, as I go out from here to do your bidding.
