12th STEP: "Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs."

12th TRADITION: " Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principals before personalities."

12th CONCEPT; The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

PLEASE SUPPORT THE ENVELOPE SYSTEM...

Yours in the Fellowship of the Spirit...Terry Executive Secretary
