"HELP CARRY THE MESSAGE" 12 STEP CALLS:

Local AA members who volunteer for service on the 12th step list are organized geographically. Some are known to respond to the call for help anytime and anywhere. Screeners attempt to contact 12th Steppers who are geographically near the caller. Men for men - women for women.

In this most fundamental functions of AA, we are reminded that "I am responsible" when anyone, anywhere reaches out for help, I want the hand of AA always to be there, but it is indeed a "we" proposition. Just as Bill and Dr. Bob traveled together to make a call on AA #3 in the hospital, we are strongly advised to make our local 12th Step calls in the company of another recovered member of AA. Sponsors and sponsee's are known to team up on such calls.
